UN AUTRE MONDE

Synopiss:

An executive manager, his wife and his family, at the point when his professional choices are about to overturn all their lives. Philippe Lemesle and his wife are separating, their love irretrievably damaged by pressures of work. A successful executive in industrial conglomerate, Philippe no longer knows how to respond to the contradictory demands of his bosses. Yesterday they wanted a manager, today an enforcer. Now he must decide what his life really means.
